Cessna P-210 Pressurized Centurion

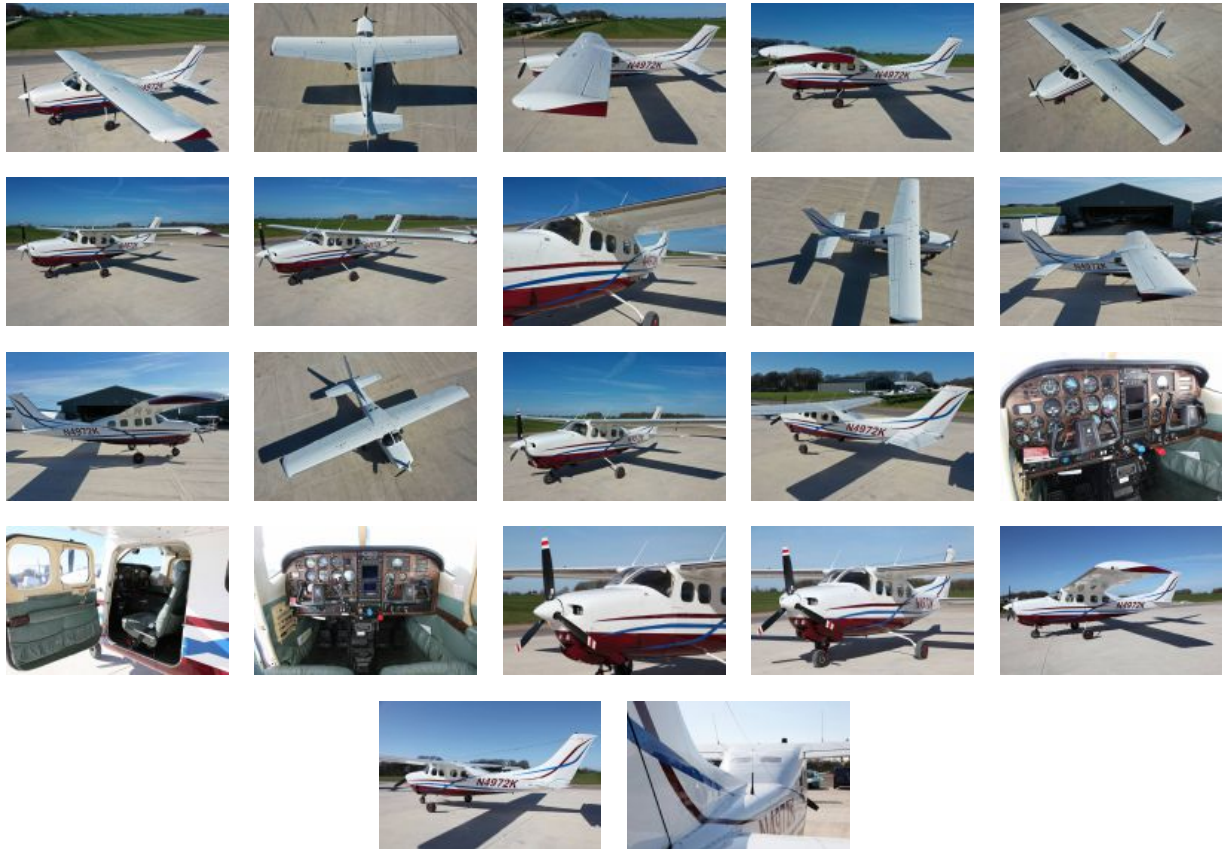

For Sale in England

Registration N4972K

Year of construction 1979

Country England

City/Aerodrome EGTU

Description AT Aviation are pleased to present this pressurised Cessna 210. The aircraft is in fantastic condition all round, it has been fitted with a modern TKS de-ice system and along with the s-tec, 55X autopilot and Garmin GNS530/430 com/nav/GPS units make a brilliant all-weather touring aircraft. Interior and exterior are in very good condition and the aircraft presents very well. The true benefit of this aircraft is the pressurisation allowing you to get on top of the weather and into thinner air allowing for increased fuel efficiency and faster cruise speed. An ideal touring aircraft and with six seats you can fit the family in with room to spare. In stock at our Dunkeswell facility.

Airplane time state AIRFRAME HOURS:5449
ENGINE HOURS:1530 since over haul 1999
PROP HOURS: 147
PROP OVERHAULED: 200 hours from overhaul 2013
