# Advisory Circular

---

**Subject:** Conversion Process for Pilot  
Certificates in Accordance with the  
Technical Implementation  
Procedures - Licensing as Part of the  
Bilateral Aviation Safety Agreement  
Between the FAA and EASA

**Date:** 6/22/21

**AC No:** 61-143

**Initiated by:** AFS-800

**Change:**

This advisory circular (AC) provides the procedures for converting a European Union Part-Flight Crew Licensing (EU Part-FCL) pilot license to a Federal Aviation Administration (FAA) pilot certificate. This AC also contains information on whom to contact and where to find the process for converting an FAA pilot certificate to an EU Part-FCL pilot license.

Robert C. Carty  
Deputy Executive Director, Flight Standards Service
