## Socata TB-20 Trinidad G500TXi

For Sale in England

**Registration** N20AG

**Year of construction** 2001

**Country** England

**City/Aerodrome** EGHF

**Description** Socata TB20 GT in stock at AT Aviation, Alpha Golf is a beautiful TB20 with low hours and one of the best avionics specs we have seen having just had a full upgrade including dual G500, 2 x Garmin GI275's, GTN750xi and 650xi, stormscope, TOGA button, smart glide and more, this avionics refit has had no expense spared plus all instrument inlays, fuse panels and trim have been replaced with engraved labels and new plates, so very much smarter than original. Warning lights all reconfigured and refreshed and lighting done.

Along with this she benefits from an in time engine with just over 400 hours and had a propeller overhaul in late 2020 which has de icing.

The white, red and silver exterior is in great condition as well as the grey leather interior. She has a comfortable cruise of 140kts at around 45 litres per hour, so with a 330 litre fuel capacity this gives 6 hours endurance with reserves and 800nm range.

**Airplane time state** AIRFRAME HOURS: 1560  
 ENGINE: Lycoming IO-540  
 ENGINE HOURS: 410 since overhaul 2013
