Description ASI is proud to present this outstanding Extra500.

Looking for an aircraft that delivers unparalleled performance and comfort? Look no further than this Extra 500!

With its powerful Pratt & Whitney engines, the Extra 500 offers speedy and efficient transportation for both business and pleasure.

The spacious cabin comfortably seats up to 5 passengers, providing a luxurious and relaxing atmosphere for long journeys.

Compared to Meridian or TBM, the cabin is so much more spacy.

But the Extra 500 isn't just about comfort - it's also incredibly safe and reliable.

Equipped with state-of-the-art avionics, weather radar, reliable undercarriage and advanced safety features, you can trust the Extra 500 to get you where you need to go with complete peace of mind.

Don't settle for anything less than the best - choose the Extra 500 for your next adventure in the sky!

Contact us today to learn more about this exceptional aircraft.
